3/5/68

Dear Dr. Nichols,

Very glad to get your letter of 2/4.

Leaving tomorrow for N.O. for about a week. Expect to be home pretty regularly from them to time of Shaw trial.

When you are at AFIP, would you be able to take a night off and come up here? I could meet you or the bus that runs to Frederick. By meet I mean pick you up and take you in town next day. Its about an hour to a little more. Then you could see some of what I have and determine its significance for yourself.

As an alternative, could you come a little earlier, say the day before the meetings. I could then meet you at the airport, bring you here and take you in the next day. We have accomodations-not deluxe, but I think you'll find them adequate.

After more than a month I'm still waiting for an answer from Marshall.

Best regards,
